To my Patients and Friends:

This letter is to inform you of some exciting changes occurring in my practice. After much thought and consideration, I have decided to phase out of practice ownership and hand the reigns over to a trusted colleague and friend in the area. Effective December 13, 2021, we will be moving our entire office to Dr. Nathan Muaina's practice, Southern Hills Dental, which is less than 3 miles from my current office. Your patient records will be at the new location, and I will continue seeing patients alongside Dr. Muaina for the foreseeable future.

I selected Dr. Muaina to assume your future dental care based on his ethics, experience and approach to patient treatment. These are all qualities that I require in a doctor who will eventually take over the care of my patients. He has my full endorsement, as well as my employees, Casey and Jennifer who will also be working with Dr. Muaina to be sure you are well taken care of.

Dr. Muaina received his dental degree from Case Western in Cleveland, OH and completed a prestigious post-doctoral residency in general dentistry at UT School of Dentistry in Houston. Dr. Muaina has served the dental needs of the Garland community since 2012 when he was chosen to be Dr. William Lawson's successor. He strives to maintain a standard of excellence through the latest technology and techniques in order to provide the best treatment possible. Dr. Muaina and his wife Bridgette live in the area with their five wonderful children.

Enclosed is a map showing directions from my current location to Southern Hills Dental, which will assist you in arriving at your next visit. The address is 1509 Northwest Highway, Garland, TX 75041. You can reach Dr. Muaina's office either through our phone number, or his, (972) 840-6100. For further information, please also visit his website, www.sohillsdental.com.

I appreciate your trust and loyalty over the years. Casey, Jennifer and myself and the rest of Dr. Muaina's team look forward to seeing you at your next visit.

Sincerely,

Robert (Max) Motley, DDS
